

This new version replaces all previous versions. Please replace SI-111201
Changed connection on compressor outlet

Please note :

If one of the following old OE or manufacturer references (picture 1) **03L253019C** or **53039700129**, **53039880129** or the old version of muffler is installed (picture 3), a muffler kit **D950072** (picture 4) has to be used additionally, in order to install the new turbocharger **T915501** (picture 2) 53039880207, 03L253056C!

If any of the following OE or manufacturer references are installed, the old muffler can be used: 03L253010D, 03L253016G, 03L253019K or 53039700137, 53039880137

Please still check the old muffler for any damages or dirt contamination. If necessary, D950072 may be used as a suiting spare part.
