Figure 1: Previous design

Figure 2: New design

As part of our continuous efforts to improve our products, modifications have been made to the belt tensioner with part number 534 0110 20.

This Service Information sheet shows the visual features of the previous version (Figure 1) and the new version (Figure 2).

During the transition period, we may have mixed stocks of both types.

The two versions differ only in their appearance. Both comply with the technical specifications and can be used without restrictions.

Please observe the vehicle manufacturer specifications!
