

# Blue Print ADH28668

to fit:  
Honda Accord 1990>1998

EN

## HONDA ACCORD – UPPER BALL JOINT REPLACEMENT

We have encountered several cases where the Upper Ball Joint part number ADH28668 will not fit some Honda Accord suspension arm applications.

ADH28668 has no OE equivalent part number, this part is manufactured solely for Blue Print and is not available to purchase from Honda.

If you wish to purchase a ball joint from a Honda dealer, you will have to purchase a complete suspension arm – Honda do not manufacture a replacement ball joint.

ADH28668 Ball Joint will only fit Honda OE suspension arms.

If the vehicle has had a suspension arm or arms changed using other aftermarket parts, ADH28668 is unlikely to fit. You will need to replace the complete suspension arm.
