### MANN-FILTER Entaron XD Family Product Advantages

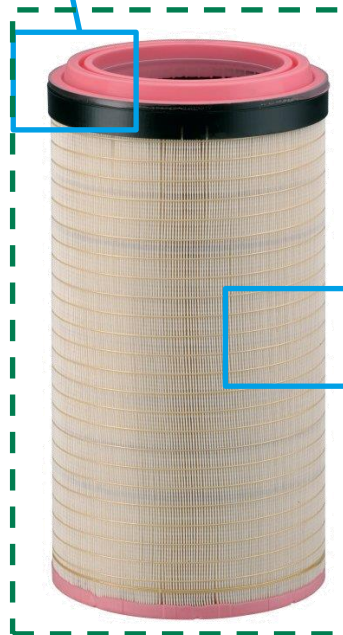

With the Entaron XD series, MANN-FILTER offers several air filters for Off-Highway Applications. These filters offer clear advantages in comparison to competitor products:

Reliable sealing concept:  
Secure sealing from raw to clean air side  
due to patented double lip sealing design

From the first mile to the  
last: MANN-FILTER in  
100% OE quality

Superior dust holding  
capacity even under  
hardest conditions due to  
best filter media

Representative of the Entaron XD family:  
MANN-FILTER C 21 600
