

Start Aid Device

Rated Voltage:	12 V	Cable Length:	420 mm
Inrush current:	700 A	Cable Cross Section:	20 mm ²
Peak Current:	1400 A	Workshop Equipment:	with reverse polarity protection
Battery Capacity:	6 Ah	Combi Switch:	On/Off Switch
IP-Code:	IP20	Function:	
Registration:	CE approved	Gauge:	with LED display
Type:		Info:	with load status display
Battery:	LFP Battery (LiFePO4)		with cigarette lighter socket
Connector:	with USB socket		with integrated work light
Output voltage USB:	5 V		with cigarette lighter plug
Output current USB:	2100 mA		
WxHxD:	170 x 240 x 250 mm
