

DIESEL FILTERS FOR NISSAN QASHQAI APPLICATIONS

RN622 VS RN632

Sogefi has launched this year **2 new diesel filters** for the Nissan QASHQAI applications. These filters are a **strong alternative to the OE filters** available on the market.

They are different in terms of the design and the applications coverage:

- **The filter RN622 has a black part** on the upper, and is mounted on the Qashqai applications manufactured **between 11/13 to 04/14**
- **The filter RN632 has a white part** on the upper and is mounted on the Qashqai applications manufactured **from the 05/14**
- If you fit the wrong filter, a red light will appear on the dashboard and the vehicle will not start
